Plan & Zoning Commission

The Commission will hold a public hearing and make recommendation to the City Council regarding the proposed rezoning. The recommendation by the Commission, generally takes place at the meeting following the public hearing. Notice of the public hearing is published in the Des Moines Register and notices are mailed to property owners within 250 feet of the parcel proposed for rezoning. Additionally, a public notification sign must be erected at all of the street frontages of the property stating a notification message as prescribed by City staff and intended to inform the public of the proposed change and the time and place of the hearing on said changes.

City Council

Following approval of the rezoning by the Plan and Zoning Commission, the recommendation is sent to the City Council. If the Plan & Zoning Commission does not approve the rezoning, a four-fifths vote of the entire membership for the Council is required for approval. Council consideration involves the notice process used for the Plan & Zoning Commission, a public hearing, and three considerations and publication of the Ordinance amending the Code. Whenever any change of zoning has been denied by the Council, then no new petition covering any of the same property or the same property and additional property shall be filed with or considered by the Council until one year has elapsed from the date of the filing of the first petition.
