Ankeny Fire Prevention Policy 2016-1: Mobile Food Vendors

Effective Date 4/2016 from the Office of the Fire Prevention Bureau- Phone (515) 965-6475

The following shall apply to any mobile food vendor who sells food other than prepackaged items that do not require hot or cold handling procedures with the City of Ankeny.

Requirements:

Exhaust Hood: A Type I hood (with fire suppression system) shall be installed at or above all commercial cooking appliances and domestic cooking appliances used for commercial purposes. Commercial kitchen exhaust hoods shall comply with the requirements of the *2012 International Mechanical Code*.

Maintenance. Hoods shall be inspected, tested, and maintained in accordance with Section 609 of the *International Fire Code* and the *International Mechanical Code*.

Inspection and tests. Kitchen hood extinguishing systems shall be inspected and tested at least every six months by a State of Iowa licensed fire protection contractor.

Fire Extinguishers. An approved 4A:40B/C rated dry chemical fire extinguisher shall be provided on or within the mobile vendor vehicle or trailer. An approved Class K rated fire extinguisher shall be provided within 30 feet of the cooking operations involving solid fuel or vegetable or animal oils and fats.

Liquefied Petroleum Gas (LP-gas). LP-gas shall be in accordance with Chapter 61 IFC and NFPA 58.

Maximum number and quantity. A maximum of two LP-gas containers with a total aggregate water capacity of 50 gallons is permitted at one mobile vendor.

LP-gas cylinder hoses. Hoses shall be designed for a working pressure of 350 psig (2.4 MPag) with a safety factor of 5 to 1 and shall be continuously marked with LP-GAS, PROPANE, 350 PSI WORKING PRESSURE, and the manufacturer's name or trademark. Hose assemblies, after the application of couplings, shall have a design capability of 700 psig (4.8 MPag). Hose assemblies shall be leak tested at the time of installation at not less the operating pressure of the system in which they are installed.

Location. Mobile food vehicles shall not be located with 20 feet of buildings, tents, canopies or membrane structures.

Exceptions: When mobile food vehicles are positioned on public streets, the distance from buildings may be reduced to 5 feet.

Inspection. All mobile vendors who sell food other than prepackaged items that do not require hot or cold handling procedures shall be required to have a fire inspection as part of the licensing process. **Only after a mobile vendor has applied through the City Clerk's office and completed and filled out an Operation Permit and paid the appropriate fees** shall the vendor contact the Ankeny Fire Prevention Bureau at 515-965-6475 or contact Fire Marshal Craig Fraser to schedule an inspection.
