Notice: Separate permits are required for electrical, plumbing, heating, ventilation or air conditioning. This permit expires 12 months from the date of issuance. The undersigned warrants that he/she has reviewed and is familiar with the provisions of the building and fire codes; as set for the under Chapters 175 and 180 of the Municipal Code of the City and all applicable zoning standards and will defend, indemnify, protect and save harmless the City and its employees from any and all liability, from any claim or cause of action which any person may have or claim to have by reason of any actual or alleged failure on the part of the undersigned to comply with the terms and provision thereof. I hereby certify that I have read and examined this application and its attachments and know the same to be complete, true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. I agree to adhere to the plans as submitted and approved by the Architectural Review Board and City Staff and will provide notification of any change prior to construction. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

2017 National Electric Code

THE FOLLOWING INFORMATION IS NEEDED FOR THE PERMIT REVIEW PROCESS:

THREE SETS of detailed and dimensioned **civil, architectural, mechanical, electrical, plumbing and structural** plans including floor plans, elevations, room uses and locations, suppression and alarm system(s), site plans etc. One set may be returned as “job set” upon request.

ONE SET of spec book(s), structural calculations and soil reports.

CODE ANALYSIS to include: codes and design criteria used, type of construction, size & height limitations, occupancy groups and loads, exiting requirements and calculations, travel distance, fire protection, suppression and alarm systems, listed assemblies, location on lot, etc.

DESIGN PROFESSIONAL RESPONSIBLE/IN CHARGE as applicable shall be documented, including the extent of their responsibilities through the construction phase until project completion.

DOCUMENTS, as required pursuant to Sections 542B and 544A of the Code of Iowa, shall bear the stamp and signature of all design professionals who shall be licensed in the State of Iowa as determined by the State Code of Iowa or if exempt, the proper form shall be completed and provided. Individual plan sheets may be stamped and signed or cover sheet may be stamped and signed with all pages under design professionals’ purviews noted. At least one set shall be wet seal.

SPECIAL INSPECTIONS shall be as required per the 2015 International Building Code Chapter 17 and shall be duly noted on the plans (3rd party inspection required).

ENERGY REVIEW documentation showing compliance with the 2012 International Energy Conservation Code and State of Iowa energy requirements. 661 IAC Chapter 303 – note: 3rd party verification by energy professionals of installations and/or testing is required.

FIRE ALARM and SUPPRESSION PLANS shall be submitted to the Fire Marshal’s office for review and approval. If questions call (515)965-6475.

HAZARDOUS MATERIALS commodities (MSDS), quantities and storage systems shall be submitted to the Fire Marshal’s office for review and approval. For questions call (515)965-6475.

ACCESSIBILITY for the physically disabled shall be documented as part of the code analysis (in accordance with 2015 IBC & ANSI A117.1 2009). The owner, contractor and developer are also responsible for compliance with the **Americans with Disabilities Act (ADA) and the Fair Housing Act (ICC/ANSI A117.1)**. If questions call the Iowa

Division of Persons with Disabilities 661 IAC Chapter 302. Phone: (888)219-0471. Web site: www.state.ia.us/dhr/pd/

FLOOD PLAIN application and verification of elevations shall be provided as required, if the project is located in the Special Flood Hazard Area (SFHA), an application for flood plain development shall be submitted.

STATE AND FEDERALLY FUNDED OR LICENSED PROJECTS Designers/Owners of state or federally funded or licensed projects should contact the Iowa State Fire Marshal's Office and/or applicable federal agencies regarding review and requirements. Phone: (515)725-6145 web site: www.dps.state.ia.us/fm/
